

ALTO TABLE - FLIP-TOP

Alto Connect is an elegant range of flexible tables that focuses on both form and function. Like our other flip top tables it offers solutions for eating, meeting, training and conferencing applications but with the added benefit of a subtly concealed castor.

Concealed multi directional castor.

Unique ergonomic mechanism.

Matching clip on cable management leg riser.

Available in MFC, Fenix, Veneer and non-standard finishes.

Family also features companion fixed leg table and credenza.
