

NIMBUS CREDENZA

The Nimbus credenza is a functional and modern storage solution for meeting and boardrooms. It's equally suitable for areas which aren't necessarily client-facing. It combines well with our Nimbus table range and can be matched with the same finish.

Available in MFC, Laminate and Veneer.

Option for mitered corners when choosing a veneer finish.

Available with 2, 3 or 4 doors.

Choice of leg or plinth base.

Option for back-painted glass tops, wine cooler and fridge.

Option for touch latch or polished handles.
