

BASIS TABLE

BREAK-OUT. COLLABORATE. MEET.

Basis is as aesthetically pleasing as it is functional. Featuring a lift out base panel as standard for easy cable access, the base is available in either a coloured ribbed style, fabric or cork.

SUSTAINABILITY

DESIGN & MANUFACTURE

Basis is designed and manufactured in-house, using predominantly FSC timber. This allows us to prioritise our clients' needs at every stage, from design to production whilst limiting our environmental impact.
